

## WHAT YOU MISSED - LEADERSHIP IN THE 21ST CENTURY

### Leadership in the 21st Century

September 8th

This seminar described the process of achieving leadership skills, enhancing our abilities in planning, organizing and managing both personal and facility functions. Vernon Vereen is a dynamic speaker and captivated his audience with life stories and experiences which enhanced participants' knowledge of their work environment. Vernon is President and Senior Consultant for Vereen and Associates, a Training and Development consulting firm. Over the past 25 years Mr. Vereen has worked with various companies including: Hewlett-Packard, Cox Enterprises, AT & T, BellSouth and Coca-Cola
