[Letter from the President – December 2016](#)

I hope everyone had a wonderful Thanksgiving! We are in the midst of the holiday season and I know how busy this time of year can be. I would like to thank our members for taking the time to join us for the multiple IFMA Atlanta events and supporting our organization. We had three very successful events in November. On ...

[Holiday Luncheon & Awards Ceremony w/ Speaker Tony Keane, President & CEO of IFMA](#)

The only thing more exciting than the progress FM has made in the last ten years is the progress the global industry is poised to make in the next ten year. The landmark IFMA-RICS collaboration represents the most significant evolution in FM since IFMA was founded in 1980. Working together, we will Define FM by unifying FM around the world ...

Membership Spotlight – Justin Worthy - Building Engineer for Hines and Georgia Tech student

This month, our Member Spotlight is on Justin Worthy, Building Engineer for Hines at the Atlanta Financial Center and Georgia Tech student. Justin grew up in San Antonio TX and Aiken SC. At age 20, he shared with me that his mother woke him up one morning with the news that he needed to “either go to the unemployment office ...
