Letter from the President - August 2016

I hope that everyone is enjoying a safe summer and taking some time to do a little vacationing! Since our "Sizzling Summer Social" back on June 29th we have experienced some record temperatures here in Atlanta. As I was sitting at home I was watching the news, in particular the weather forecast. The meteorologist stated that Atlanta may hit or ...

Summer Reading – an entry from the Atlanta Chapter’s CFM Virtual Study Group Website

We are in the heat of summer here in the ATL - a slower time of year, when many are taking a well-deserved vacation, and there are purposefully fewer planned events for the chapter membership. Even though there are no formal educational events scheduled this month, that doesn't mean that you don't have resources at your fingertips to learn something ...

Eunhwa Yang Joins the Faculty at Georgia Tech

After an extensive international search, Building Construction at Georgia Tech has a new professor. Eunhwa Yang has accepted the position of Assistant Professor in the teaching areas of Facility and/or Real Estate Management. The position requires the candidate to have a doctoral degree in facility management, building construction, real

estate, or a related field. Yang met this requirement as a ...
