

## WHAT YOU MISSED - FALL CLASSIC

Our Fall Classic, the major fund raiser for our partners, was a great success again! The number of participants in golf, tennis and the social all increased from last year.

The weather was just about perfect, the golf course was in excellent condition, the tennis courts were in good shape and everyone seemed to have a thoroughly good time. The cruise was smooth and enjoyable – no one fell overboard although the wine consumption increased somewhat from years past.

Many thanks to the folks at Pine Isle and to Association Headquarters who did a wonderful job making everything run smoothly. A mighty pat on the back goes to the committee and all the volunteers who worked so hard to make the event a success.
