

April Newsletter

Letter from the President (April, 2015)

I just had lunch with a relatively new associate member, and he asked me what he should tell his Facility Manager clients who are not yet members of our chapter about the benefits. There were three main things, from my perspective, that I shared with him: Meeting and learning from your peers. Very frequently, a Facility Manager is working on ...

How To Guides – What Do You Want Next?

IFMA's Sustainability Strategic Advisory Group (SAG) is conducting a survey related to the development of new How-to Guides. The guides are peer-reviewed reports designed to provide data associated with a wide range of subjects related to sustainability and energy. The guides contain information related to implementation, ROI analyses, case studies and sources of additional information. They are available free of ...
