

July 1982

National Facility Management Association

P. O. Box 76828 Atlanta, Georgia 30358 - 1828

.....The July 6th meeting on Flat Wire Systems was a great success. Fifty-two individuals shared in the information presented by Robert Wagner, Thomas & Betts Company. From the continuing inquiries reported by Mr. Wagner, it seems that many of you have immediate needs for this technology.

ON AUGUST 3....

.....The Atlanta Chapter of I.F.M.A., now the International Facility Management Association, will hold its monthly meeting at the Cross Creek Country Club, 1221 Cross Creek Parkway, NW, Atlanta, GA 30327. August's presentation will be on carpet tile systems, which are required with the flat wire systems. Product construction and manufacturing techniques as well as design alternatives will be addressed by Mr. John Rearden of Carpets International.

Reservations must be made by 2:00 PM, Friday, July 30th for the luncheon and presentation. For reservations please call 447-6650 and leave the number of people to attend, their name(s), firm name(s), and phone number(s).

We hope you will join us at 12:00 noon for the luncheon and carpet tile presentation. We are sure that this information will be timely and most applicable for the majority of you.

NEW POLICY

.....The Executive Committee has adopted the policy that, starting with the August meeting, all non-members will be required to pay \$8.00 for the lunch. Members will only be charged \$7.00.

CHRISTMAS PARTY

.....In lieu of our December meeting we will be holding our first annual Christmas Party on December 4th. Information on the party will be forthcoming.
