

ON TUESDAY, MAY 1 . . .

The Atlanta Chapter of the International Facility Management Association will hold its monthly meeting at - LANIER PLAZA - AT THE INTERSECTION OF I-85 North and Monroe Drive. Our program this month:

THE WAR IN THE OFFICE

This month's speaker is Mr. Hy Bomberg, Director of Consumer Education for Herman Miller, Inc. Mr. Bomberg, with a 32-year history at Herman Miller, has been responsible for seminars on concepts and ideas of facility management as applied to real life environments. His education of numerous major international clients on this subject has been invaluable. Mr. Bomberg has spoken for many other organizations, such as the AMA and the Administrative Management Society, and has published many articles, including a series on work environments for IMPACT-OFFICE AUTOMATION.

The history of the Open Plan Management concept of space, its applications, misapplications, dangers and possible benefits will all be covered in this presentation.

This program will be of great importance and interest not only to facility managers, but to executives, designers, "Major Stuckies", i.e., those who get stuck with managing the facilities after the designers have gone, and all others directly or indirectly involved with the design and management of office facilities.

Lunch will be served PROMPTLY at 12:00 noon, so please arrive in plenty of time to register. Reservations for this meeting must be made by 2:00 p.m. Friday, April 27. . . For reservations, please call 658-1776 and ask for Pat Stanfield. The charge is \$10.00 for members and \$15.00 for non-members. NO SHOWS WILL BE INVOICED.

See you at 11:45 a.m. for what promises to be an informative program.
