ATTENTION
Professional, Associate and Lifetime Members:

Have you voted on the proposed amendments to the Association's Constitution and Bylaws? These proposed amendments to the Association's Constitution and Bylaws, sent to all members qualified to vote earlier this year, did not receive the required ballot response of 50% of the qualified membership. While 1,213 ballots were received for tabulation, a 2,290 ballot response would have been necessary for a qualified vote. 99% of the 1,123 ballots returned were affirmative.

The Board of Directors has voted to return the proposed amendments and clarifications to the qualified voting membership for a new vote.

The IFMA Board of Directors encourages each qualified member to exercise your voting rights and return the ballot that was sent to you on September 5, 1989. Your vote does count; a non-returned ballot is tabulated as a rejection vote. Your vote must be mailed or faxed no later than October 20, 1989.

PLEASE VOTE!

**Get-a-Member Challenge**

How does a three-day, all-expenses-paid vacation for two in New Orleans sound? Or how about a 25" color TV, a remote control VCR or a cordless telephone? These are all prizes in the Member-Get-A-Member Challenge. They are individual prizes, but the Chapter can also participate.

Any chapter bringing in 10 new Professional members receives one free registration to any 1990 IFMA event, including the conference.

20 members = 2 free registrations, 30 for three, etc. All members may participate, but only new Professional or Associate members may be credited to a sponsor's total.

All members who sponsor at least one new Professional member will receive a New Orleans T-shirt and recognition in IFMA news.

Please join us at the October Social!
