Christmas Luncheon

Plan to join us for our festive Christmas luncheon on Wednesday, December 13, at the Westin Lenox. Our speaker will be Jim McIntyre, president of J.R.M. Enterprises, Inc.

Jim was with the Atlanta Airport Terminal Corporation for 10 years -- the last 4 years as executive director. His topic will be the expansion project at Atlanta Hartsfield International Airport.

Reservations for the Christmas luncheon must be made no later than Friday, December 8, 1989, by calling Noble Data Systems at 233-1777. The cost is \$15 for members and \$20 for non-members. Payment at the door by check or correct change will be appreciated. Please make your reservations early. No-shows will be invoiced.

January Program

The January program is entitled "Back to the Future: Ideas, Images and Influences on Turn-of-the-Century Design." This meeting will be a departure from our norm. It will be held on January 26, 1990, at the Fashion Theatre, on the 15th Floor of the Atlanta Apparel Mart. Speakers will include Sue Wood, IBD National President; Bob Gross, 1989 IFMA National President; and Robert John Doan, FASID National President. The moderator will be Dennis Cahill, publisher of Interiors Magazine.

Job Bank

Please call John Steffes at 395-5350 to match available facilities-related jobs and candidates.

1990 Executive Board

The new officers for 1990 will be installed at the December luncheon. Your 1990 officers of the Atlanta Chapter are:

President, Martha Osborne, Facilities Manager, Digital Communications Associates; Vice President, Jim Pelger, Manager of Project Engineering and Environmental Control, Rockwell Industries; Secretary, Beverly BonDarew, Facility Manager, MCI Telecommunications; Treasurer, Howard Chapman, Director of Administrative Services, Alston & Bird, Attorneys at Law.

1989 International Conference

Atlanta was represented by 15 members at the International Conference in Seattle. All comments were raves -- excellent seminars, speakers, entertainment -- and it didn't even rain!! Hats off to the Houston office staff and the national officers for a well-planned conference. There were over 1800 facilities people registered. The innovation of round-table discussions was well-received. Don't be surprised if that idea is tried at one of our luncheons.
