Member Spotlight

Member Spotlight – Laura Hammond, Department Manager for Corporate Asset Management for Mercedes-Benz USA

... written by Teresa Cox, APCO Signs

Like so many facility professionals, Laura Hammond fell into the field. IFMA Fellow Kathy Roper, “a fabulous professor” was her inspiration at Georgia Tech. Laura earned her Master of Science

Degree in Building Construction and Facility Management from the School of Building Construction. At that time, she was working as a Project Manager ...

ISAM Conference

Hartsfield-Jackson Atlanta International Airport, in partnership with the International Facility Management Association (IFMA), will host the International Sustainable Asset Management Conference in June 2018 to discuss sustainability as it relates to energy conservation, asset management, green facility practices. This conference will serve as a platform to:

- Exhibit best practices
- Introduce new standards
- Showcase new innovations and technologies
- Offer training and development
- Create ...
