[Dear Fellow IFMA Members:](#)

First my apologies for not distributing the update last month... this Covid-19 challenge has had me a little distracted! For me, there's no question that this has been my biggest obstacle yet in managing facilities. I've had to lead my teams through earthquakes, hurricanes, tornadoes and even volcanic eruptions but this has been the toughest I've seen with regard to ...

[RECOGNIZING YOUNG FM's AROUND THE GLOBE](#)

In celebration of our fortieth anniversary this year, IFMA is recognizing the future of the facilities management industry by honoring the talents and achievements of young facility professionals. We know it's not business as usual right now given the current climate – you, your team and your business will have immediate priorities but we wanted to remind you that IFMA ...
