Insight Global - Facility Tour Recap

“On Friday, April 23rd, our group had the pleasure of touring the brand new, state-of-the-art facility for the National Headquarters of Insight Global. All 16 floors of the facility are owned and occupied by IG. The building, which officially opened in March 2020, comes equipped with full service roof-top bars (a wine bar, a beer bar, and an outside terrace ...

Member Spotlight - Lyle Gladney with Aramark

It shocked me when I learned that long-time IFMA member Lyle D Gladney had not yet been featured in our newsletter. Lyle has served for our chapter since 2005 and is currently on the ballot to become our incoming Vice President. He was born in Chicago, but still considers himself to be a southerner; as his family moved back to ...

Building Envelope Inspection: How to Manage Risk and Reduce Liability

Event Date: May 4, 2021 It is estimated that a piece of masonry falls off a building in the U.S. every 3 weeks. Unfortunately, it has taken front page news of personal injuries, deaths, and property damage to prompt authorities to enact Building Façade ordinances. Learn how façade inspections are conducted and why the owners of some of the largest ...
