IFMA Atlanta Quarterly Luncheon at Bank of America Plaza

This presentation will outline the importance of having a workplace violence training program for your firm. Additionally, we will discuss the elements of proper and safe training and being able to identify the appropriate training for the culture of your firm. The presentation will last approximately 60 minutes with questions and answers. The three main objectives of the course ...

## “Generator Triage: What to do when the lights go out?”

“The power goes out. Are you prepared? What do you do? In this seminar, you will learn what to do when you experience a power outage. It provides you with an in-depth overview of emergency power systems and foundational understanding of the critical role of the generator. You will learn basic generator theory, maintenance practices, NFPA 110 guidelines, and foundational ...
