Exclusive FM Tour - Troutman Pepper at Bank of America Plaza

Troutman Pepper has long been the primary tenant of the Bank of America Plaza. In collaboration with Interior Architects, their current space was renovated in 2018 with a forward-thinking approach. Law firm design has continually evolved over the past few decades, but the expectations and contributions of incoming generations have been transformative. By partnering with IA - Interior Architects, Troutman ...

Education Program: Unlocking Efficiency: Seasonal Maintenance for RTUs, Chillers, and More

Maximize the efficiency and lifespan of your HVAC systems with a comprehensive guide to maintenance. Learn the difference between proactive and reactive approaches, how to budget effectively, and determine the right maintenance frequency for your needs-based factors such as foot traffic, critical equipment, and air quality standards. We'll review switching from cooling to heating operations for key equipment like RTUs, ...

In the News

Thank you very much to those attending our October event at Topgolf (Atlanta). We shared some highlights from World Workplace, had some food and refreshments and experienced some Topgolf game play. The weather was excellent. What can there be to complain about? Well, we want to know. The Education Programs Committee would like your feedback on the event. Please take a moment to complete the survey at the link below.

IFMA ATL October Topgolf Survey

We appreciate your feedback and we want to improve our programs. Also important is what topics you want us to provide. We are committed to listening and taking action on your feedback.
